Lady Death

"Inferno!"

#13

Story So Far

Lucifer removed the curse barring Lady Death from Earth, but the first time she tried to return, she was intercepted by Pestilence, Famine, and War—the Riders of the Apocalypse—and forced to spend one night on Earth with them as ghost-like, intangible Death. Lady Death was unable to touch the Earth, or anything on it—except to bring it Death. Lady Death confronted her human self, Hope, lying unconscious in a Seattle hospital emergency room—but she refused to kill Hope, breaking free of the Rider's influence. But what 'new game' is Lucifer playing? Why has he allowed Lady Death's homecoming? As Mr. Lourde, sexy, wealthy casino owner, he is building the fastest growing entertainment company in the history of the world. All the major players of Hell have been incarnated in human terms, headquartered at the Inferno Casino and Arena, in Las Vegas. Hell has come to Earth. And Lady Death does not know it—yet.

<WATCH IT, RETTER!>

<NO POLICE!>

<ARMIN, HANG ON!>

DESCENDING ON A GALE FORCE WIND, WIELDING THE ETERNAL SCYTHE OF THE COVENANT, THE "STORM" HAS A NAME:

Lady Death!

THE EXECUTIONER GODDESS IGNORES THE FRIGHTENED SABOTEURS. INSTEAD, SHE CELEBRATES HER HOMECOMING!

FEERRK

I MADE IT! I WAS CURSED FOR 400 YEARS, NEVER TO RETURN TILL ALL THE LIVING WERE DEAD!

TO WALK THE EARTH AGAIN... IT'S TOO STRANGE, TOO INCREDIBLE FOR WORDS!

RIGHT HERE, I RENOUNCED MY HUMANITY, BURNING AT THE STAKE FOR HERESY!

BUT NO MORE OF THAT -- AT LAST, I AM HOME!

TRUE EARTH! I'M
LEAVING FOOTPRINTS!
I CAN TOUCH...
WHATEVER I WANT!

I BATHED IN THIS POND
AS A GIRL! I CAME
HERE FOR A MOMENT'S
PEACE WHEN TROUBLED!

I LOVE NATURE,

WHAT'S THAT? A HUMAN MOB? THE SAME KIND THAT INCINERATED ME AT THE STAKE?

<SURRENDER>

I THINK NOT.

BOOM

I BOW TO NO AUTHORITY. YOU SHALL LIVE TO GIVE TESTIMONY, LITTLE MAN!
CROSS DEATH, AND DIE!

ARRRR

CARRY MY MESSAGE WELL. OR I'LL BE BACK TO LIGHT YOUR FUNERAL PYRE, TOO.

WHY DID THE LUCIFER BREAK MY CURSE? WHY NOW, ON THE EVE OF THE JUDGEMENT WAR?

I SURVIVED THE DESTRUCTION OF HELL! I SEIZED MY DESIRE -- MY HOME! NO ONE HOLDS POWER OVER ME!

YET I KNOW THE PRINCE OF LIES IS OUT THERE SCHEMING.

WHAT STRANGE MAGICK IS THIS? WHERE AM I --

EASY. HOPE. ONE STEP AT A TIME. I'M GRACE. I'M HERE TO HELP.

HOW DID YOU KNOW MY NAME? WHERE AM I?

YOU'RE AMONG SISTERS. WE BROUGHT YOU HERE TO SEATTLE.

CAN YOU REMEMBER WHAT YOU WERE DOING BEFORE YOU CAME HERE

Wearing this FALSE face, I may be able to DESTROY you, Hope. You -- and LADY DEATH -- would NEVER let me near if you knew I was your nemesis, LEVIATHAN!

THE SISTERHOOD WILL PROTECT YOU.

PROTECT ME FROM WHAT? THIS PLACE. IT'S NOT LIKE ANYTHING I'VE EVER SEEN! SO STRANGE!

I REMEMBER -- BURNING AT THE STAKE! BUT I CAN'T TELL HER THAT!

YOU ARE MISTAKEN. I NEED NO PROTECTION. BUT I PRAY YOU. WAS THERE SOMEONE ELSE IN THIS CHAMBER, BEFORE YOU?

"I HEARD A MAN. HE HAD A STRONG, BUT GENTLE VOICE."

YOU must be mistaken. There is no man here.

SUDDENLY --

LADY DEATH!

YOU ARE ONE OF US! WE CAN FIND YOU ANYWHERE!

SHE SENSES HOPE!

LADY DEATH IS NOT HERE, PESTILENCE!

YOU LIE LIKE A MAN, MICHAEL -- DIE LIKE ONE!

NO! EVEN AS A MAN, I WILL STOP YOU FROM BRINGING THE APOCALYPSE BEFORE ITS TIME!

THESE GARMENTS AMAZING!

BUT I'M HALF-NAKED! WHERE IS THE REST OF THIS COST --

HOPE, LOOK OUT!

Oh MY GOD! THIS TOWER! IT'S MILE HIGH AND THAT STORM --

REMEMBER, DON'T KILL HOPE. JUST MAKE HER SURRENDER TO FEAR.

#16

YOUR MONTHLY NEWS SOURCE ON ALL THINGS CHAOS! - JANUARY '99

From The Crypt

Welcome to 1999 Fiends - the year of ARMAGEDDON! You may be wondering, what do I have in store for you?

First and foremost, you can expect yours truly to be much more hands on. I admit I got caught up in lots of business meetings (to get the EE movie cookin'), travel and putting out more comics than ever before and other crap and as a result, in my opinion, the quality of some of our books suffered. They got off track. Daddy was guiding them, yes, but they strayed. And once off track, they kept heading there.

Hey, sometimes you gotta own up to your mistakes, even though it hurts to do it. I am doing that now. When I think of the Chaos! Cosmos, I want it to be perfect. I want everything to fall into place. I want the stories to build, to excite, to surprise. I want to deliver quality. That has always been my goal. I didn't attain that consistently in 1998.

So what the Hell am I going to do about it? Hands on, baby. MUCH more hands on. First up, I am writing Evil Ernie #8, #9 and #10. I am plotting future Lady Death, Evil Ernie, Purgatori and Chastity storylines right now. I am also plotting our Armageddon. I will be generating all initial Chaos! Cosmos storylines. To accomplish all the stories I've enlisted writers Phil Numan, Marc Andreyko and Jesse McCann (Smiley comics). We are also substantially upgrading the much maligned coloring of several of our books.

What else am I doing? Less comic books. Why? To attain the quality I want means much more time invested to each book. I'd rather do fewer good books than more crummy books any day. The good news is that I am telling only the crucial, mandatory storylines that move us toward Armageddon. Bottom line - I'll publish 3-4 cosmos books, the Undertaker monthly and a few surprises to come.

Why am I admitting this to you? I mean, the average person prefers to hide from their mistakes or cover them up, right? First, I don't want to BS you. Mostly, it's for this reason: I realized these characters may have started out in my head, but now they're out in the world, and we all share them. The Chaos! Cosmos is your cosmos too and I know you really care about it.

I just want you to know that the Arch fiend of Chaos! is on the job - and lovin' it. More on my plan next month.

Peace - thru Annihilation,

-Brian Pulido

The Low Down

Chaotic Artwork - Now For Sale!

Thanks to those great guys at Glass House Graphics, Chaos Fiends will now be able to own the original art from many of their favorite Chaos! books. That's right, now you have the chance to own original Chaos art from the likes of Al Rio, Mike Deodato Jr., Ivan Reis, and David Brewer.

Rest assured, we're not talking about 5 or 6 pages here - we've got several pages of select original art from Chaos! books and trading cards to put up for sale, but remember, they are all one of kind! Once they're gone, they're gone. As with all original art, some of it will be available at very, very reasonable prices, but some pages, such as splashes or money shots of title characters will always cost a little bit more. Also, due to the fact that sometimes these great artists just can't bear to part with their favorite pages, not every single page from every Chaos! book will be for sale.

So how do you get your hands on this fine loot? Take it to the Web, dear Fiends! Over at the website (www.chaoscomics.com), we have high-resolution scans of twenty to thirty of some of the coolest pages available, with a full listing of all pages available for sale nearby. A warning though, if you're looking to score pages from this month's Chaos titles, you'll have to wait a little longer - there will be at least a two month lag between a book shipping and its original pages going up for sale.

Stay tuned to the official Chaos! website and future editions of Impending Chaos for more details on how to score your own original Chaos art!

Chaos! Wizard #0

Okay Fiends, trust us on this one - if you miss Wizard #92, you will be kicking yourself for months, no...years to come! Why you ask? Easy - Wizard #92 contains an absolutely free Undertaker #0 written by the series regular team of Beau Smith and Manny Clark. "We're gonna show the 'Taker in the ring for most of the #0 issue," Smith says. "It'll be a real nice introduction to just who this giant, dark ass-kicker is, and what he's about. It's kinda like the pre-ride before the roller coaster gets going. It's a fun little story that shows just how twisted the series is gonna be."

Also, speaking of Wizard and the 'Taker, be sure to grab a copy of Toy Fare #20, which features a mail-in offer for an exclusive glow-in the dark Undertaker figure from JAKKS Pacific. We've seen these guys already, and man, are they cool - guaranteed to keep you up at night.

Lady Death and VAMPIRELLA: The Loot

To commemorate the upcoming once-in-an-afterlifedime team up between comics' two hottest ladies of destruction and horror, we here at Chaos will release two very special premium editions of February's team-up. The loot looks like this: Gold premium - Lady Death/Vampirella with a gold foil cover, strictly limited to 300 copies, retailing for \$29.95. Metallic blue premium - Lady Death/Vampirella with an exclusive metallic blue cover, strictly limited to 100 copies, retailing for \$59.95. Both premiums will be available exclusively through the Chaos! Collector's Corner and will be sold on a first-come, first served basis, so you know what that means - he who waits, gets no book! Be sure to check www.chaoscomics.com regularly so you can catch 'em as soon as they go up for sale! Also, we'll be releasing a Lady Death/Vampirella T-Shirt and a limited edition lithograph featuring art by Mike Deodato, Jr. These special products are gonna be hot! Look for them in April.

The Undertaker Stalks the Web!

The comic is on its way, the Preview Book is just around the corner, and now, the official Undertaker comic website is up and running. Created by those two deranged Monti brothers, Jim and Dan, the site features Undertaker news, media downloads, preview art from the comic, an undertaker message board, and loads of other cool 'Taker stuff.

Check it out at www.theundertaker.net.

Inferno-Hell Comes to Earth This Month!

So how do we here at Chaos! kick off a new year full of promise and opportunity? We bring Hell to earth of course, in the new "Inferno" storyline which kicks off in this month's Lady Death #13. This isn't just any storyline dear Fiends, this is the beginning of the end - the kick off of events that lead directly to the end of the Chaos Cosmos this December. It all kicks off when Hell comes to earth in the form of Inferno, a mega-casino complex in Las Vegas. Appropriately enough, the casino is owned by the mysterious Mr. Lourdes, who's actually Lady Death's long-time nemesis Lucifer in disguise. For Chaos! head honcho Brian Pulido, the storyline was a natural for both the character and the company. "I'm a huge fan of end-of-the-world stories," Pulido says. "But unlike the stories you get from other companies who promise earth-shattering events and don't deliver the goods, we will go the distance with both Inferno and Armageddon. Trust me Fiends, this balls out storyline will blow you away as we begin the roll to the end of everything."

"Inferno" will run for four issues in Lady Death, and also affect the other titles of the Chaos Cosmos, including Evil Ernie #8-#11, Purgatori #5-#7, Cremator #3-#5, and Chastity: Rocked #3-#4.

Get on it now. There definitely won't be a later.

Fiend Club Spotlight

This month, we want to take a special Chaos! moment to give major props to the New York Fiend Club Chapter, and its president Jay Pellicano. Under Jay's guidance, the chapter has grown and flourished with meetings where Fiends gather and discuss all things Chaos!, custom figure contests and even appearances at conventions, including the Big Apple Comic Con (where con guest of honor Kevin Smith entered the raffle and won an Evil Ernie: Straight to Hell #1 with a chromium cover! - Hey Kev, come on over to Chaos! after you get bored with your current shuck! You may write about a type of 'devil,' but we've got the real one over here, baby!). Over the con weekend, Jay and company recruited 112 (that's right 112!) new Fiends who are all now happily sworn to the Black. If you've got a sculpting jones going on, the chapter is still taking entries in its 'Create Your Own Chaos Figure' contest until February 2nd, so whip up what you can and send a picture to Jay at the address listed below! This is the way we keep it going folks - you say you don't have a Fiend Club chapter in your area? What are you waiting for? Get out there and start one! It only takes one person to get the ball rolling, and as Jay knows, we here at Chaos! HQ do everything we can to support our local Fiend Club chapters. If you live in the New York area and want to join up, or want some advice on starting your own chapter, be sure to write Jay at: Chaos! Fiend Club New York Chapter, 5 Seth Lane, Hicksville, NY 11801. It's a great time to be a Fiend!

The 7" Lady Death statue from

Gory Bits

Moore Creations ships in March for \$69.95. Smiley, everyone's favorite Psychotic Button gets his own Wrestling Special this April courtesy of writer Jesse McCann. Look for Chaos! own Bob Sprenger to guest-star as The Ultimate Cheeseburger. Just like Issue #1, April's Undertaker #2 will have a photo variant cover - make sure to order yours now! Brian Pulido is hoping to have the Evil Ernie screenplay finished up by February, just in time for Valentine's Day! Until next month Fiends, keep a little Chaos! in your heart!
